OFFICE OF THE ASSISTANT SECRETARY

MEMORADUM FOR AF/A1S

FROM: SAF/FMC

SUBJECT: FY20 Approved Lodging Rates

Reference: (a) AFI 65-106, *Appropriated Fund Support of Morale, Welfare and Recreation (MWR) and Nonappropriated Fund Instrumentalities (NAFIs)*, 15 January 2019
(b) Directive-type Memorandum (DTM) 18-007, *Conversion of DoD Temporary Duty and Permanent Change of Station Lodging to Fully Nonappropriated Fund Operations, Maintenance, and Construction*, 21 November 2018

1. Effective 1 November 2019, the lodging rates as listed in attachment (1) are the approved rates for FY20. These rates are within the per diem levels for all room types at all locations. The increase in rates is due primarily to the DoD-directed change from some appropriated funds (APF) support to 100% nonappropriated funds (NAF) support. The Air Force Services Center will ensure all locations implement the correct rates, to include validating seasonal rate adjustments as they occur.
2. IAW DTM 18-007 (reference (b)), which was effective 1 October 2019, APFs are no longer authorized for any direct support associated with the operation and support of Temporary Duty (VQs, VAQs, DVQs and LDVQs) and TLFs identified in AFI 65-106 and any indirect support which requires hiring additional APF personnel, or securing additional services. With the exception of functions not associated with the operation and construction of AF lodging (i.e. EEO, legal, management/employee labor relations, and ECCS), the appropriate fund source is NAFs. However, the support services may be provided on a reimbursable basis by the installation to the Air Force lodging program. This change in treatment does not apply to MWR recreational lodging or Fisher Houses/Military Treatment Facilities.
3. Please direct any questions to Ms. Laura Beal, SAF/FMCEB, DSN 227-9414, or Mr. Michael Coltrin, AF/A1SR, DSN 225-7322.

Pamela C. Schwenke
Deputy Assistant Secretary
