

## Lodging Policies and Standards

---

### Space A Policy

23 July 2024

Space-Available reservations can be made up to 120 days in advance, ***depending on the base occupancy and at the lodging manager's discretion.*** Space-A reservations for TLF can only be made up to 30 days in advance in accordance with DAFMAN 34-135 Table 3.5.

Priority 1 customers will not "bump" Priority 2 customers with confirmed reservations, nor will they bump them once they are assigned quarters (checked in) for a specific period of time, except in times of contingency, emergency, or when the installation commander determines higher priorities exist. A confirmed reservation may not guarantee a specific room type.
