

- NSA Bahrain is a walking base.
- POV's are not permitted on base.
- Parking on base is limited to permanent party and is located near the entrance to the base.
- Bike access is limited to perimeter and not permitted on the walkways.

Walking directions: From the walk in gate, proceed straight to the brick paver "street". When you reach the street (50 feet from entrance) take a left. Proceed 10 feet and take a right on the path. You will continue your walk with Branch Medical on your left and FFSC/ CYP on your right. When you reach the next paver "street", take a left. You are now on the "Spine" (runs down the middle of NSA 1. NGIS is located on the right side of the spine across from Branch Medical and Housing. Look for building 264. The front desk and lobby is located in the middle of the building on the first floor. Although a brief walk, upon request, the front desk associates will welcome you with a bottle of cold water in the hot months.
